

Members of the President's Circle are special people committed to the future of higher education in our community! Through their contributions and membership in this program, President's Circle members demonstrate their commitment to improving lives at Northwest Florida State College.

President's Circle gifts provide the college the flexibility to use the funds where they are needed most – for program support, instructional needs, and many other crucial expenses that benefit NWFC students. The President's Circle is open to any individual or organization contributing an unrestricted, minimum gift of \$500 annually.

## **BENEFITS**

### **Valued President's Circle members receive:**

- A lapel pin, worn by many distinguished community members to demonstrate your support for the NWFC Foundation and the college
- Recognition as an exclusive President's Circle member on the NWFC Foundation website and other publications
- The NWFC Inspire, a publication that offers the community news of the Foundation's efforts
- Invitations to attend special college-sponsored events

## **TO JOIN**
